I am checking in to confirm that we can continue to process the AOC. You had asked me to wait until Monday.

**CONFIDENTIAL: FOR DISCUSSION PURPOSES ONLY**

As discussed, I am attaching the current revision of the AOC, along with a comparison document of that revision with the revision I sent you on May 10, 2013. I caught a few spacing, cross reference, and citation errors. For example, the definition of future response costs referenced paragraph 23 (on off-site shipments) instead of 25 (on access); the directions for contesting future response costs at one point referred back to payment in the manner set forth in paragraph 37 (authority of On-Scene Coordinator) instead of paragraph 39; the financial assurance provision saying that Respondent must comply with 264.143(f) if it seeks to demonstrate the ability to complete the Work through a guarantee or demonstration by a third party referred back to 80.a. (surety bond), instead of 80.(e) and (f), and used "Part" instead of the section symbol for citations to sections in the C.F.R.; and paragraph 83 referenced Section "XV" for Dispute Resolution, instead of XVI. As discussed I also deleted the section on public comment as this Settlement does not compromise our past costs.

The language and terms of the attached draft AOC are subject to Agency review.
